

Exceptionally affordable transaction technology for the world

e-NEWSLETTER No. 1

May 2009

Product News

- Blue Bamboo announces the list of validated phones that pairs with P25-M. Click [here](#) to view the list.
- Blue Bamboo launches new support web site. The new support center now consists of four sections: Downloads, Sales inquiry, Technical Support, and Image Library. **Blue Bamboo's Download Center** is updated regularly with the latest information on hardware, solutions, software, user guides, warranty and license and technical issues. While all the downloads are visible by all users, some of the downloads are not available without a user name and password which can easily be applied for on the web site. [More details...](#)

Solution Highlights

More and more Blue Bamboo terminals are being deployed beyond traditional payment applications and new customers are realizing how the power of technology can add value to their market, especially in these segments: Retail and Service, Transportation, Restaurant and Hospitality, Public Services, and Event and Shows. Click [here](#) to view the solution diagram.

Blue Bamboo has been highlighted as a case study by Bluegiga for the contactless pre-paid card payment solutions. Blue Bamboo was present at the Beijing Olympics 2008 in the Holland Heineken House (HHH) with a wireless Bluetooth payment terminal device. This event will allow patrons to use collectible HHH contactless prepaid cards throughout the venue on handheld POS terminals carried by HHH staff. [More details...](#)
